Summer Holiday Homework.
(2026-27)

Summer
BREAK

Hurray!

Sand And Sun, Summer
Has Begun!

Dear Parents,

Vacation is a welcome break!

But for students as well as for you, vacations have become synonymous with summers. Is it not? So why not utilize this golden period for family reunion and reiterate your family ties with your kids and relatives. Gear up and utilize your time in the best possible manner.

Go ahead with some unique fun activities with your kids. Let's cheer for the **3R's- Rejuvenation, Relaxation and Rebonding !**

Dear Students,

Vacation is a time when you connect with your friends, family members and relatives. So, all of you **"FIX A GOAL AND STRIVE HARD EACH DAY TO ACHIEVE IT!"**

SST Holiday homework

1. Collect information about Union Territory "Andaman and Nicobar islands". Under the given subheadings, make a project file using relevant pictures and illustrations.

- Climate and Location
- Plant and Animal life
- Tourism
- Transport and Communication
- Life of the people

Recycling is the process of converting waste materials into new materials and objects. As a society, we have come up with amazing ways of recycling almost everything. Those that we found hazardous for the planet, we have banned or minimize the use of.

So, let's recycle:

Let's recycle some old newspaper and make a paper mache bowl.

What you will need:

- A few sheets of newspaper,
- 2 plastic bowls,
- 2 table spoons of flour and some water.

What to do:

- Tear the newspaper into thin strips as shown.
- In one plastic bowl mix flour with two tablespoons of water to make a glue.
- Dip one strip of paper at a time into the glue and layer the bowl.
- Let the first layer dry before you make a second one.
- When both the layers are dry remove the plastic bowl.
- Paint and decorate your paper mache bowl.

Science Holiday Homework

Dear Students,

As part of your Science Holiday Homework, you are required to create a 3-dimensional (3D) model representing the life cycle of any one of the following organisms:

- Butterfly
- Cockroach
- Tadpole (Frog)

Guidelines:

- The model should be neat, creative, and clearly labeled.
- Show all the important stages of the life cycle in sequence.
- Use suitable materials such as clay, cardboard, thermocol, or any craft items.
- Ensure that your work is original and made by you.
- Mention your name, class, and section clearly on the project.

Submission:

Please submit your project after the holidays on the assigned date.

Make your models informative and visually appealing. Happy learning and creating!
