

## **Annual report 2019-20**

Capturing the most special aspects of the year 2019-20, students grabbed the opportunity to participate in and experience enormous range of activities beyond the classroom.

Education is an opportunity to open children's hearts and minds to the unbelievable wonders of the universe. A time to pause, reflect and regenerate.

The session 2019-20 commenced on 3<sup>rd</sup> April 2019, with the orientation programme for the parents of the students of classes I TO VIII. The programme made the parents aware of the scheme of education we impart here at Dr. VSEC.

To make our children aware of our culture & heritage 'A Spic Macay' cultural programme was organized on 24<sup>th</sup> April. Two legendary artists Shakir Khan and Unmesh Banerjee enthralled the children with their stunning performances. In English and Hindi Writing Competition the children put up their creativity with their calligraphic skills in handwriting. Spelling bee competition helped the little ones to make an equilibrium between hand and mind and the children performed brilliantly in dictation. We also had an English and Hindi Recitation competition in which our children created a rhythmic atmosphere. Every participant presented his/her the best and well rhymed poem in pace and captured the attention of the audience. In English creative writing competition the creativity of our children flourished when creative ideas with innovation encouraged them and they put in their best in it.

The most awaited event took place on 25<sup>th</sup> July, Founder's Day/ Investiture ceremony where all the four houses were introduced along with their house mistresses. Later the school senates were pinned with the badges and sashes by our H'ble Principal Ma'am. The students were also allotted the duties and finally the ceremony ended up with the addressing by our Principal Ma'am and the national anthem. To rekindle the spirit of curiosity Inter House G.K. Quiz competition was conducted for classes V to VIII in which the children brought laurels to their houses by showing their interest in General Knowledge. To sing into the rhythm of music an Intra class singing presentation was conducted for classes I TO V where every class captivated the listeners by their resonant performances and made the atmosphere pleasant and tuneful. Hindi Diwas was celebrated for the entire week as Hindi Saptah. Different presentations

like Hindi debate. Each day conveyed an essential depicting the importance of the Hindi Language.

‘Mathematics is not about numbers, equations, computations or algorithms: it is about understanding.’ With the aim to foster an interest in math and improve the mathematical skills of the students an Inter House Math Maze competition was conducted where all four houses did well and finally Nimbus House bagged the first prize.

With the cultural activities we also focus on the health and physical fitness of our children. The most spectacular and exciting event of the school ‘The Annual Sports Day’- had the guest of honor, the director of Dr. VSEC, Mrs. Nandi Ma’am. The audience and the parents boosted up the confidence of our athletes. It also included Yoga presentation by all the four houses, Gymnastics and flower drill by class I & II students was really a treat to the eyes.

Poetry can have a positive impact on the social and emotional learning of children. It may offer them a new way of thinking about something. Keeping all these facts into consideration, we organized a choral recitation for classes I to V in which the children got an opportunity to exhibit their talent and confidence. Parents were also invited to witness the program and to cheer for their ward. The children performed really well and captured the attention of every listener.

We not only encourage the inter house competitions but also extend the boundaries to promote Inter Branch Competition in which our school brought laurels. The winners were-
