

Dr. Virendra Swarup Education Centre
Jajmau, Kanpur

Dear Parents
Greetings!!!

Today when we are at the threshold of the new academic session 2020-21 lets pray to the Almighty to give us the strength to be able to combat and overcome the present COVID-19 pandemic. The session will commence from **1st April, 2020** but now we'll be teaching through whatsapp groups/ zoom cloud. We understand that children have not been able to purchase their books, hence teachers would be preparing notes/ videos / worksheets to enable children to understand and practice. We shall teach as well as assess.

Your unconditional support in all our endeavors is highly solicited and we believe you'll continue to do the same.

Let's all join hands to face this difficult period with strong will power and help students imbibe moral and spiritual values besides teaching online lessons.

Have a sheltered, shielded and safeguarded quarantine period.

Best wishes

Pooja Lalchandani
(Principal)
