**CLASS - VI**

**12<sup>th</sup> April, 2024**

Dear Parents,

We give below the assessment and test dates for the entire session. Kindly go through it carefully and in case you have any queries please feel free to consult the teacher on the Parents Teacher Meeting scheduled on Saturday **13<sup>th</sup> April 2024**.

Please note that each day the student will be tested for 50 marks. 30 marks will be subjective and 20 marks objective. Students are expected to have in depth and wide knowledge of the topics they are being tested upon. Sufficient time is being given to teach and learn each concept hence the assessment will be detailed and all encompassing.

The entire year's schedule is being given in advance to enable you to plan your family functions keeping the exams in mind.

**Hence, if a child misses a test he / she will be marked zero. Only in genuine medical cases (validated by the Principal) will the child be given pass marks.**
